Regular	40,000 Eur + VAT(18%)	Full payment to be completed until March 31st, 2023

Istanbul is the most crowded city of Turkey in terms of traffic and unfortunately this makes transportation a bit difficult. Of course, if you don't have istanbulcard in hand. Transportation in Istanbul can be provided very easily and without getting into traffic, usually by metro, tram, Marmaray and ferry. If you are coming to Istanbul, you must have an istanbulcard, otherwise you will not be able to get on the transportation vehicles. This sponsorship you will receive will be very valuable so that our conference delegates and fair participants can travel freely in Istanbul.

-An istanbulcard will be placed in the hotel rooms of all our delegates and exhibitors who make hotel reservations through our on-line hotel reservation system, by loading 20 TL in their hotel rooms.

-Approximately 1000 pieces will be made.

-Your company logo will be printed on the cover where the card will be placed. Thus, your company's logo will be at their disposal from the first day they come to Istanbul to the last day.

-If you wish, we can also leave small materials promoting your company, such as flayer – usb, which will be given to us together with the istanbulcard, in the hotel rooms with the card.

-The sponsor logo will also appear on the sponsor board in the lobby, on the sponsor page in the final program and on the sponsor page on www.ieee.gtd.org

Regular	42,000 Eur + VAT(18%)	Full payment to be completed until March 31st, 2023

At this fair, the world's largest and most important energy Expo, this Digitization space provides a key platform feature to showcase the engineering, technology and energy sectors, the industry's innovative solutions, developments and activities. It is a field that covers small special promotion sections especially on green energy and energy distribution, communication.

Sponsoring this zone allows companies to strengthen their profiles as the industry embraces this transition. This sponsorship package includes a speaking space within the Digitalization Zone Theatre, exclusive marketing collateral, and recognition for venue branding in the hall.

It is especially addressed to today's important digital companies.

The 50 m2 fair area will be provided as an empty space, and the sponsor of the digitalization area will have the stand set up, which will be used as he wishes. If requested, alternative models and prices will be offered by us.

It is possible to make speeches and presentations over the large screen TV to be placed in the area. (3 presentations, 1 presentation per day)

In addition, the company can include its partner companies (paid or free) in the field stand, and the fair management cannot interfere with this.

The sponsor logo will also appear on the sponsor board in the lobby, on the sponsor page of the final program and on the sponsor page on www.ieee-gtd.org
